

The Criminal Parallel Government - CPG - Operating in Kenya

There is a CRIMINAL Parallel Government - CPG - operating in Kenya. Although CPG has been operating in Kenya for many years, it only became very powerful in the past decade.

This Parallel Govt is responsible for more than 99% of Kenya's problems. They manipulate information flow in Kenya, in order to mislead the public about what is REALLY going on in the country.

This information manipulation has enabled CPG to make outright thugs look like good, charitable businessmen.

Some of these criminals promoted by CPG have ended up becoming MPs, Senators, Governors etc. Among the Kenyan criminals propelled into leadership position by CPG is impeached Nairobi Governor, Mike Sonko.

Most Kenyans are not aware of this CRIMINAL Parallel Govt (CPG). If most Kenyans were aware about it, then they would not allow it to exist. It is in the interest of CPG & their FOREIGN MASTERS that Kenyans do NOT know about its existence.

Members of CPG include:

- Rahamim Caveda alias "**Farouk Kibet**" - a top aide to the Deputy President of Kenya, William Ruto;

- Narok Senator Solomon Sidisto alias **Ledama Olekina**;

- Nyali MP Yehuda Yacob alias **Mohammed Ali** (Moha JichoPevu);

- Former Chairman of the Law Society of Kenya, LSK, Berhanu Sabahat alias **Ahmednasir Abdullahi** (ahmednasirlaw);

- Current Chairman of the Law Society of Kenya, LSK, Yehiel Melaku alias **Nelson Havi**;
- Mombasa Governor Neggousa Bogale alias **Hassan Ali Joho**;
- Lamu Senator Desta Pakada alias **Anwar Loiptip**;
- Former President University of Nairobi Students' Union, UNSA (2019 - 2020), Pnina Salmasa alias **Ann Mwangi Mvurya**;
- Nyandarua Woman Representative **Faith Gitau**;
- Garissa Woman Representative **Gure Anab Mohamed**;
- Musician **Samidoh** (Samuel Muchoki Ndirangu);
- Nairobi County nominated MCA **Anne Thumbi**.

Consider the following: Samidoh is a member of CPG, yet, if you study his profile, there's nothing that shows that he does anything else but sing harmless songs and work as a cop.

He is not known to be controversial, nor engaged in politics...And that is where the problem is: That there are many such members of CPG who are quietly sabotaging Kenya, yet they appear to be totally harmless.

If I was to make a wild guess about the actual number of members of CPG, I would say between 1,000 to 5,000. Yet, these very few people have managed to sabotage Kenya continuously and even made Kenyans kill each other.

FACT: If there was no Criminal Parallel Government, CPG, operating in Kenya, no Kenyan would have died in 2007/08 because of the election, regardless of who won.

Kenyans who continue pushing the FALLACY that 2007/08 Post-Election Violence (PEV) was caused by disputed elections, or swearing in of President Mwai Kibaki, are not only extremely NAIVE, they are very foolish, too. PEV was because of TRIBAL INCITEMENT prior to the elections.

Although Kenyan politicians also made tribal-hate comments between 2005-2007, it is the CPG that did more than 90% of the ethnic incitement under the radar.

NOTE: Tribal violence started in Eldoret, Uasin Gishu County, yet there was NO Presidential or Vice Presidential candidate from the county in 2007 election.

It also happens that, "coincidentally", Uasin Gishu is the "home county" of CRIMINAL Parallel Government's Farouk Kibet.

In fact, ICC Prosecutor Fatou Bensouda had intended to call witnesses who named Farouk Kibet as the person who coordinated 2007/08 post-election violence in the Rift Valley [during Ruto's trial]

These ICC witnesses later DISAPPEARED and are presumed dead.

Just ask yourself this question: How can a foreigner be the chief organiser of mass killings, unless he works for a very powerful, shadowy international entity?

Anyone still doubting how foreigners can come to Kenya and incite Kenyans to hate each other, and even kill each other, without Kenyans knowing: Just look at Somalia.

Somalis have been fighting for a long time. Al-Shabaab has killed thousands of Somali... Something most people do not know: Al-Shabaab is enabled by current Somalia President Mohamed Abdullahi Farmaajo - who is a non-Somali IMPOSTOR.

Therefore, it is foreigners in Somalia who are making Somali kill each other. Though Somalis do not know that, yet.

Something very important I have noticed regarding 2007/8 PEV in Kenya: Whenever the issue of PEV comes up on social media, there are always many BOTS pushing the propaganda that PEV was caused by "disputed elections"...

I always wondered why powerful non-Africans would be so concerned about Kenya's PEV till they employed BOTS to push the FALLACY about the cause. Then I later discovered that PEV was caused by the same powerful non-Africans, through their Kenya-based IMPOSTORS.

It is important to note that there was NO PEV in any of the estates where top politicians or election officials lived, yet Kenyans were supposedly fighting over them.

In fact, children of the top politicians on both sides of the contest were close friends before, and after the 2007 elections.

Also, many people involved in killing their neighbours during that time, later confessed that they didn't know "what devil possessed them", and made them do what they did - signs of manipulation by the CPG, under the radar.

Some CPG members are famous eg ahmednasirlaw (Grand Mullah), while most are not famous at all. They are spread around Kenya, quietly sabotaging the country without raising any suspicion.

Among the jobs they have been doing, is to popularise DP William Ruto in Mt Kenya region, and to intimidate locals they view as threats to Ruto's interests in the region.

Some powerful non-African entities realised long ago that the easiest way to conquer a country, is to first send imposters who will act and speak like the locals, then use these imposters to weaken the country from within.

Take the case of FAKE Kenyan, Garissa County Women Representative Anab Subow Gure (as she calls herself on social media). In parliament, she is known as Gure Anab Mohamed. Her official parliament page has ZERO information about her. Education? BLANK. Work? BLANK...

Why is that?

Because she is an IMPOSTER. She is neither Kenyan, nor Somali. Yet, on paper, she is a citizen of Kenya, from Somali ethnic group.

Ms Anab is not from Somalia. Yet, she is being used to cause suspicion between Kenyan Somalis, and Kenyan non-Somali population.

The head of the CPG is Farouk Kibet.

CPG gets POLITICAL COVER from an UNKNOWING William Ruto. Therefore, as long as Ruto is DP, then CPG cannot be taken out. If Ruto resigns/sacked, CPG would be taken out easily.

Kenya would be reborn. It would be like 1963 again.
