

## How Kenyan IMPOSTORS Made Ruto “King” of Mt Kenya

It is 5D chess. Teach some of your citizens about another culture, then send them ILLEGALLY to a foreign country, where they will pass themselves off as natural-born citizens of that foreign country.

In Kenya, some of these IMPOSTORS have even ended up being elected as MPs and senators.

To avoid confusion, in this article, I will only focus on IMPOSTORS sent to Mt Kenya region. These IMPOSTORS include:

- Nyandarua Woman Representative Faith Gitau;

**FAITH GITAU**

- Nyeri Woman Representative Rahab Mukami;

**RAHAB MUKAMI**

- Jubilee Party Nominated Senator Isaac Mwaura.

**ISAAC MWAURA**

These are the “Kikuyu” ones who are already outed. How many other MPs and Senators could also be IMPOSTORS? What about MCAs? Any IMPOSTORS claiming to be Meru? Embu?

**NOTE:** These IMPOSTORS are fed real-time INTEL about other Kenyan politicians' activities, by the top SPY Agency in the world.

Therefore, they know what other Kenyan politicians are planning, where they meet, when they meet...

Because of their super-knowledge of events happening in Kenya that are not in public domain, they have become super-influential among Deputy President William Ruto's Mt Kenya allies.

The IMPOSTORS access to the most secret of other Kenyan politicians' activities makes them have the power to make any wayward TangaTanga MPs/Senators/MCAs toe the line.

Of course, they don't have to do that directly. They have many Kenyan allies who do not know about their dual-identities, and who perform the dirty tasks for the IMPOSTORS.

One of the most important tasks the Mt Kenya IMPOSTORS have been doing, is to popularise DP Ruto, and to sabotage any politician seen as a threat to Ruto in the region.

Therefore, when you see people in Mt Kenya region being pro-Ruto, it is that **wamepangwa vilivyo** by IMPOSTORS who were sent to the region by the top SPY Agency in the world.

If THEY can have more than 3 IMPOSTORS as MPs in Mt Kenya region, then they might probably be having 30+ IMPOSTOR MCAs in the region alone.

It is estimated that there could be between 1,000 - 5,000 IMPOSTORS in Kenya, all sent by the top Spy Agency in the world.

It is these FOREIGN-born IMPOSTORS who have succeeded in making Ruto appear as if he is King of the Mountain.

If you look at this “phenomenon” of Ruto acting like he is the leader of Mt Kenya people very keenly, you will realise that there must be a very powerful non-African entity behind it.

Can you imagine a Kikuyu being the leader of the Kalenjin?

Or, a Luo being the leader of the Kamba?

Or, a Luhya being the leader of the Maasai?

Yet, through information manipulation, use of IMPOSTORS and PSYOPS, something that is IMPOSSIBLE - a Kalenjin being the leader of the Kikuyu, Embu and Meru - has been made to look okay.

When a Real Kenyan (and Kikuyu) politicians like Kandara MP Alice Wahome, Mathira MP Rigathi Gachagua, Nakuru Senator Susan Kihika, Naivasha MP Jayne Kihara, Gatundu South MP Moses Kuria, Kirinyaga Women Rep Wangui Ngirici etc. share political strategies with IMPOSTORS claiming to be Kikuyu like Faith Gitau, Rahab Mukami and Isaac Mwaura, they do not suspect a thing.

Therefore, even though, on their own, these real Kenyans would find it odd for Ruto to behave as if he is the King of Mt Kenya, their doubts evaporate upon seeing “very knowledgeable and well-connected” fellow “Kikuyus” (IMPOSTORS) believing that, it is not only okay, it is a “blessing” to the Mt Kenya communities for Ruto to be their undisputed tribal leader (in addition to Ruto also being the undisputed Kalenjin leader).

To prove how real Kikuyus in Ruto’s HustlerNation have much respect and admiration for the IMPOSTORS: During Senator Kihika’s wedding last year, her Maid-of-Honor was IMPOSTOR Rahab Mukami.

To cap it all, the Best Man was none other than the leader of all Kenyan IMPOSTORS, Farouk Kibet!

Considering that on social media, the IMPOSTORS and their non-African sponsors have tens of thousands of accounts/bots purporting to be Kikuyus who support Ruto, it is not surprising that, even some knowledgeable Kikuyus believe that FALLACY - that Ruto is the leader of Mt Kenya.

In Apps like WhatsApp, it is even worse. Most of those “Kikuyu” members who support TangaTanga in these apps are actually FAKE (1 IMPOSTOR can have even 100 unique WhatsApp identities - and there is estimated to be between 1,000 - 5,000 IMPOSTORS in Kenya).

However, because the real WhatsApp groups’ members do not know that, they believe “I must be the only Kikuyu who does not consider Ruto as the King of the Mountain!”

5D chess.
