

Why Mossad is Blackmailing MP Gathoni Wamuchomba

Kiambu Woman Rep Gathoni Wamuchomba is being blackmailed by the most powerful spy agency in the world. Several months ago, I noticed some of her photos on a “Kenyan” website that I know is run by foreign-born Mossad SPY-IMPOSTORS.

They were the kind of photos someone wouldn't want seen by the public. Also, the way they were posted, there was no doubt whoever had done it was saying “there's more where these came from”.

At around that time, I also noticed that Hon Wamuchomba had gone unusually quiet. In fact, I have been writing here for months about certain prominent Kenyans being blackmailed by the Kenya-based IMPOSTORS.

It is Hon Wamuchomba who made me realise that some Kenyans are suffering blackmail silently.

The problem with blackmail is that you don't have to have done anything wrong for you to be blackmailed.

All a blackmailer needs to do, is to obtain information about you that you wouldn't want made public. They then tell you, “if you want this information to remain private, you must do a,b,c”.

Blackmail is not a recent phenomenon.

The first FBI Director John Edgar Hoover (in office 1924-1972) was said to have been blackmailed by the Mafia for decades.

“Top organized crime figures Meyer Lansky and Frank Costello obtained photos of Hoover’s alleged homosexual activity with longtime aide Clyde Tolson and used them to ensure that the FBI did not target their illegal activities...” (latimes.com/archives/la-xpm-1993-02-06-mn-1078-story.html)

It is said that The Mafia became very powerful in the mid 1900s because the person responsible for destroying the mob was in their pocket, courtesy of major blackmail.

Back to Hon Wamuchomba. Why would Mossad want to blackmail her?

Because Mossad desperately wants central Kenya people to embrace UDA party, and vote for its presidential candidate.

Ms Wamuchomba is a well known figure in Mt Kenya region, because of her many years in the media industry, especially Kikuyu language radio stations.

When a famous Jubilee MP like Hon Wamuchomba defects to UDA, that is very good OPTICS for the party. It makes many Mt Kenya politicians say, “If Hon Wamuchomba has also gone to UDA, that party must be very popular”.

Defection of Wamuchomba was initiated by UDA Secretary General, Mossad SPY-IMPOSTOR Hadas Tehila-Tegegne aka Veronica Maina.

For Ms Tehila-Tegegne, defection of Wamuchomba at this time is very important, because, once they make Central Kenya people believe that “many people are defecting to UDA”, she would then organise for the remaining Central Kenya IMPOSTOR MPs - around 14 in number, led by Catherine Waruguru - to defect at once.

NOTE: Kenyans don't know these 14 MPs about to defect are foreign-born IMPOSTORS. Therefore, when they defect to UDA, many patriotic Kenyan politicians would also defect,

because they would believe that UDA, despite being owned by a foreign spy agency, must be the future.

Ms Tehila-Tegegne probably told Ms Wamuchomba: “I hear you are living in great fear that someone is about to leak very embarrassing photos...I know someone who can help you in that regard...”

Eventually, Ms Tehila-Tegegne would tell Hon Wamuchomba: “The person is willing to help, but there’s a big problem...He is a die-hard supporter of UDA party...He says he cannot help someone who is in Jubilee...”

Finally, Hon Wamuchomba felt that she had no choice but to defect to UDA.

What she doesn’t know is that the people blackmailing her are Ms Tehila-Tegegne and her fellow IMPOSTORS.
